Center for Financial Success

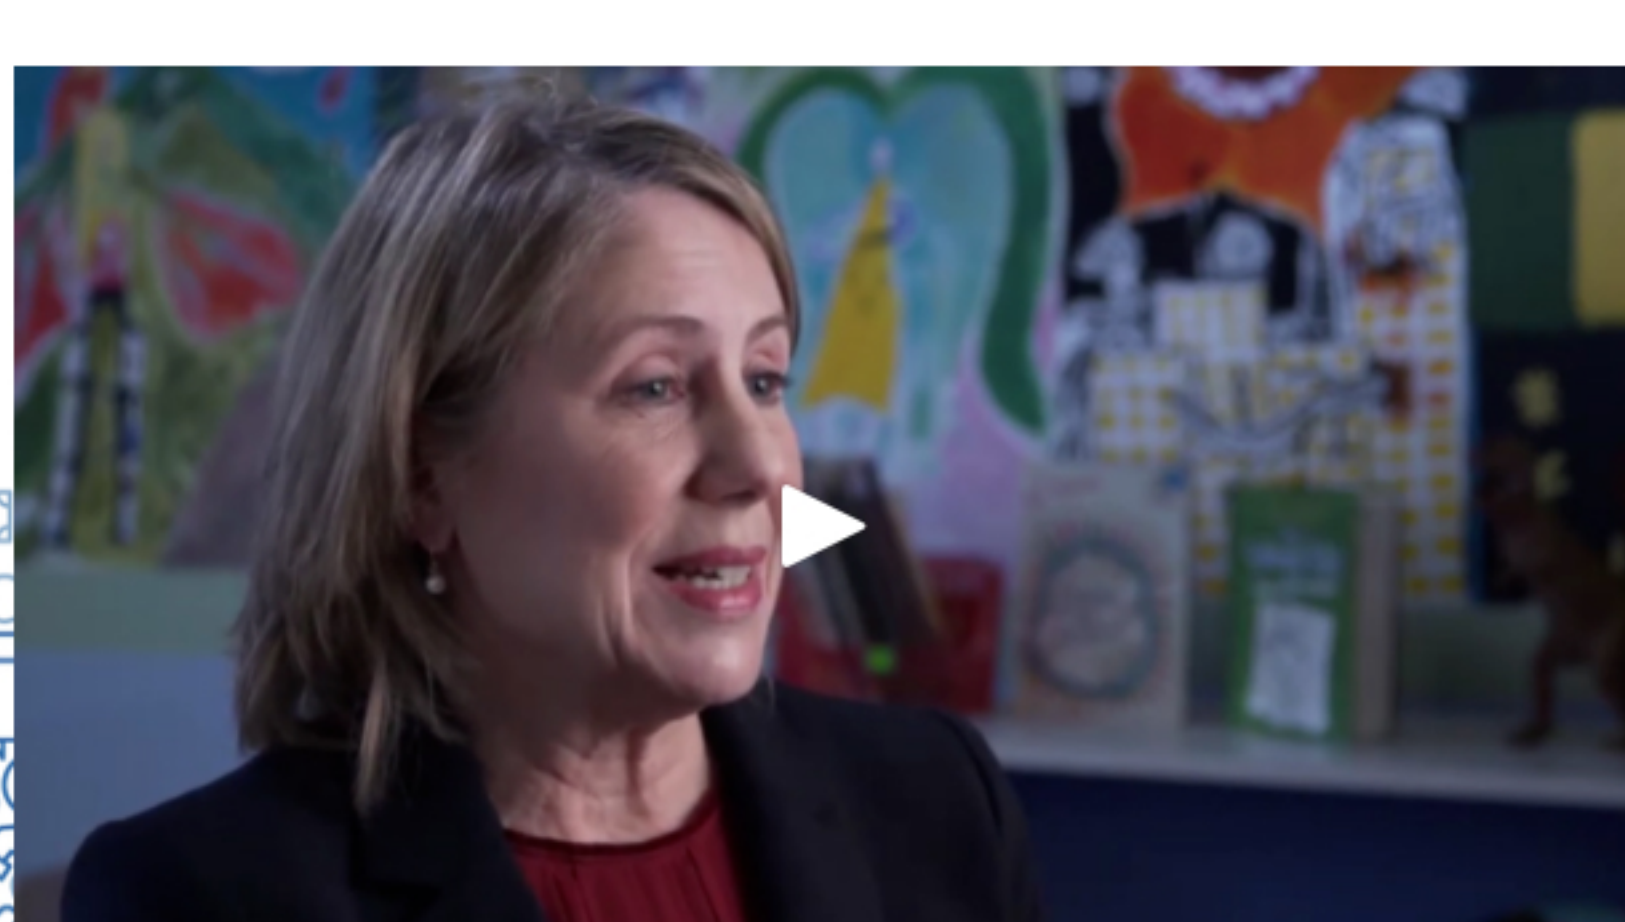

NRI Career Academy

"Now that I am graduating from the NRI Career Academy, I have new skills, a better understanding of myself and others, and more confidence...Everyone in this class came with a story and overcame obstacles to better themselves. There is no doubt in my mind that my classmates will be successful in whatever avenue they pursue. They have already demonstrated their determination to succeed in class...I cannot thank the teachers, staff, partners, and volunteers enough for all they do. The support here is phenomenal!"
